Garten's provides booth at Teaching Parents Association convention

Garten's Music provided a booth at the recent Teaching Parents Association convention in Wichita.

The annual convention, geared for parents of home-school students, takes place at Century II. The Garten's booth included a Korg keyboard, music books and information about lessons available through the Wichita Music Academy, located at Garten's Music. The Wichita Music Academy offers piano, keyboard, guitar, bass and voice lessons.

In addition, parents could enter a drawing for a \$50 gift certificate to the music store. The winner was Tina Friend of Belle Plaine. Congratulations, Tina!

Andrew Pudewa, a convention speaker (kneeling), makes music along with home-school students in the Garten's Music booth.
